Help From The Lord

The Psalmist says “I will lift up mine eyes unto the hills, from whence cometh my help. My help cometh from the Lord.” The “look” means to direct the vision in order to find out.

1. He Looked in the Right Direction

He looked up, which means he set his eyes on things above. He turned toward heaven.

2. He Looked to The Right Person

It is our nature to seek help from another person in times of distress. But we need to learn that our help comes not from man, but from God.

3. He Looked for the Right Thing

Many times we think we can grit our teeth and make it on our own. May we realize that we can't do it alone, our friends and family are wonderful but they cannot solve our problems, we must look to the Lord for help.
